

# MPA Work Group: Comprehensive Mathematics 2007-2008 Work Plan

Target Population/s	Strategies	Lead Implementers	Resources To Implement Strategies Including Professional Development And Parent & Community Involvement	List Progress Monitoring Measures To Be Used Throughout The Year	Review Dates	Results Of Strategy Review & Revisions
Students in grades PK-12 in MPS, Preservice teachers at UWM & MATC, and MPS teachers & administrators.	To implement the Year 5 activities of the <i>Milwaukee Mathematics Partnership</i> (MMP) project (e.g., Math Teacher Leaders, K-7 Assessment Pilot, Grade 8-9 Marshall Plan, Math CABS, Learning Targets, UWM courses, Algebra Labs).	DeAnn Huinker (UWM), Henry Kranendonk (MPS), Kevin McLeod (UWM), Henry Kepner (UWM), Kim Farley (MATC)	National Science Foundation MMP grant	Ongoing internal and external evaluation activities of the MMP.	Monthly MMP Steering Committee meetings	
MPS students and teachers in grades 3-9.	To monitor and provide guidance for the scoring and use of the new constructed-response items in mathematics on the district ThinkLink Benchmark assessments in grades 3-9.	Henry Kranendonk (MPS) and the district Math Teaching Specialists.	District funds and MMP grant.	ThinkLink reports. Teacher evaluations from professional development training.	Monthly MMP Steering Committee meetings	
MPS students and teachers in grades 10-12.	To monitor and provide guidance for the implementation and use of the new Postsecondary Mathematics Readiness Test in grades 10-12.	Henry Kranendonk (MPS) , Kevin McLeod (UWM). Mary Mooney MPS/UWM)	District funds and MMP grant.	ThinkLink reports. Teacher feedback.	Monthly MMP Steering Committee meetings	
MPS students in grades K-12 and entering first year students at UWM and MATC.	To monitor student mathematics achievement in grades K-12 and the transition to post-secondary mathematics at UWM and MATC (remedial vs non-remedial course placement).	Henry Kranendonk (MPS) , Eric Key (UWM), David Ruskiewicz (MATC)	District funds and MMP grant.	WKCE-CRT reports, ThinkLink reports, UWM Math Placement report, MATC Math Placement report.	Monthly MMP Steering Committee meetings	
Students, teachers, administrators, and faculty in grades PK-16.	To plan for the transition and sustainability of the initiatives and work of the MMP beyond the NSF grant funding.	William Andrekopoulos (MPS), Carlos Santiago (UWM) Aquine Jackson (MPS), Kathy Williams (MPS) Henry Kranendonk (MPS), DeAnn Huinker (UWM), Kevin McLeod (UWM), Henry Kepner (UWM), Kim Farley (MATC)	District funds and MMP grant.	Ongoing discussion and planning for the transition.	Monthly MMP Steering Committee meetings
