# MPA Family Literacy & Tutoring Work Group 2008-2009 Work Plan

## Objectives/Activities

Goal #1 – To engage the community in the goals of the MPS Action Plan through marketing a common message

- Seek funding for coordinator position
- Partner with MPS/MPA public relations and marketing to develop a plan and common message
- Develop relationships for PSAs
- Work with Executive Partners to utilize their resources for marketing and public relations
- Advocate for the addition of a work group or committee dedicated to marketing and public relations

Goal #2 – To expand quality community opportunities that support student learning

- Seek funding for coordinator position
- Solve the database issues so that it is a community and parent resource
- Build capacity in existing programs
- Support expansion to new programs
- Provide support to schools and agencies in identifying best practices
- Increase number of programs and opportunities listed on database
- Support the PAPAS (Pastors As Partners Adopting Schools) Initiative

Goal #3 – To recruit and train volunteers

- Seek funding for coordinator position
- Advertise/promote MPA website/database (once it is up and running on MPA website)
- Work with Executive Partners to recruit volunteers from their organizations
- Make presentations to community and faith-based organizations
- Conduct training sessions for service learners, SES providers, CLC volunteers and faith and community-based agencies
- Refine and enhance training in subject-specific areas and produce electronic versions for dissemination

Goal #4 – To support MPS parent involvement and Family Literacy initiatives and opportunities

- Partner with Title I Parent Initiative
- Promote and participate in family literacy activities
- Advocate for a work group dedicated to Parent Participation in the MPS Action Plan

Goal #5 – To support community efforts toward college participation and success

- Bring in membership of the Partnership for College Access and Success (network implemented in Milwaukee through UWM Compass Guide and the Center for Urban Initiatives and Research)
- Advocate for a work group dedicated to school and community efforts that support college access and success
